## WHO WE ARE

*'Hatched' by Lead Clinician Carys Roberts in 2013, Swan Physio Ltd takes it's name from the local emblem of Madeley village where the clinic originally opened and Carys grew up.*

## YOUR WELLBEING IS OUR PRIORITY

Due to demand the business has expanded and moved to a beautifully converted barn in Keele Village in order to continue offering the high quality professional treatment our clients have come to expect from us, as well as offer new services.

## WE WILL DO WHAT YOU CANNOT

*Our caring and understanding approach underpins personalised care delivered in comfortable surroundings.*

## WHAT OUR CLIENTS SAY

"Exceptional Commitment to Clients"

"Clearly Knowledgeable and Skilled"

"Unlike other Companies... Honest"

"Supportive, Understanding and Extremely Professional"

# TREATMENTS

*Individually tailored 'HANDS ON' treatment packages built from a combination of:*

## MOBILISATIONS/MANIPULATIONS

Restores normal movement in stiff or tight joints.

## MASSAGE

Various techniques used to encourage blood flow, aid healing, release tightness and reduce pain.

## ULTRASOUND

Aids healing, breaks down scar tissue, promotes a faster, more effective recovery.

## TENS AND INTERFERENTIAL

Recognised therapies which target pain receptors in the body to provide effective pain relief and reduce swelling.

## EXERCISES

A tailored exercise programme based on your Individual Assessment with 'hands on' instructions to guide you.

## ACUPUNCTURE

Reduces pain and inflammation by stimulating the body's own healing mechanisms.
